“ I have not seen April for a very long time. However as a little girl she was so quiet and shy and very sweet. I can't ever remember a time that she was rude or disrespectful. She was always very pleasant to be around. I regret not keeping in contact and getting to know her as an adult. I can only imagine one that she was just as awesome as a woman as she was as a child. My heart and thoughts and prayers go out to the family. I'm so sorry Carolyn and Crystal. I know we haven't spoken in years either. My heart breaks for you. I pray that God wraps his comforting loving arms around all of you and hold you tightly as you try to deal with April's tragic death. May He also bring you comfort in knowing that God has got her now and nothing and no one can ever hurt her again. I know right now that does nothing but I'm just hoping that one day that thought will help you to deal with your loss..I love you all and if there is anything I can do please don't hesitate to reach out. God bless all of you. Your sister in Christ and friend Susan Phelps

“ I remember when you and your mom and sister first moved to Spencer. That winter you all would stay with us when the nights were cold. Your mom substituted for me on the bus. That summer we all went to Florida in vacation. You and your sister (Crystal) were friends with Monica. You turned into a beautiful butterfly. I will always remember you and love you. May you be with God now. Love Angela Autry (Sartin)
