

Lazaro Dominguez

December 16, 1968 - December 18, 2019

Lazaro Dominguez of Shelbyville, passed this life on December 18, 2019. No services are scheduled.

Lazaro Dominguez was a very loving and compassionate man who always wanted to help others. He considered himself a “Guardian” of sorts to everyone he met. He showed his desire to help and protect others even at his work, which was in the Security and Surveillance industry.

His heart was bigger than his waist size. Anyone who knew him will agree. His passing was very sudden and unexpected. He is survived by his brothers Tomas Stevens, and Chico Dominguez, his sister-in-law Elena Dominguez, and many nieces and Nephews. He will always be loved and never forgotten.

“ Lazaro was my brother-in-law. He was a character for sure. He was kind, polite, smart and could be an absolute ass when needed :) and I would not have him any other way <3 I will always remeber him as a caring, loving, and an all around amazing person. My favorite memory of him was when he would hang out at our house watching movies. We had food and snack but he would ask me for " Bread, butter and sugar!" That was one of his favorite snacks and I still think back and smile every time I think of it. He was unique and they broke the mold when they made him. There will never be another and I will miss him dearly.
