

Matthew David Bouchard

October 9, 1968 - January 8, 2020

"BOUCHARD, Matthew David, of Tullahoma TN went to be with the Lord on January 8, 2020 at age 51. Funeral Services are scheduled for 7 PM, Sunday, January 12, 2020 at Highland Baptist Church. The family will receive friends from 5 PM – 7 PM.

He was born in Flint MI on October 9, 1968. Fast and loud was how he lived, so it seems fitting that he left us quicker than we were ready for.

Few people live (or laugh) as loudly as Matthew did. We're pretty sure the only thing louder than his laugh was his Harley. He always set out to make everyone laugh as loud as he did, of course. And he was very, very good at it. Matthew was a builder of things and a builder of people. He spent his life helping others, and he always jumped at the opportunity to teach and help someone learn something new.

Matthew loved the outdoors, walking with Jesus, and being with his family. At the time he passed, Matt was the happiest he'd ever been and he made sure everyone he met knew how grateful he was for the love of his life, Rosalba, and his kids.

Loving son of Marshall Sr. and Leonia, Matthew joins his father and three big brothers in Heaven (Marshall Jr., David, and Mark). He is survived by his wife Rosalba; his mother; his sons Nicolas, Jesse, and Theo; his daughter Nicole and son-in-law Marshall and grandson Greyson; his sister Michelle and brother Michael, and too many cousins to count (seriously).

We'll miss him fiercely. But we swear, if you listen closely, you just might hear him whistling and laughing with the saints as he helps them fix a heavenly Harley."

“ One of my favorite memories of Matt involves a Kirby adventure to a home that was not very well maintained. Matt had already sold the unit to these folks and he recruited me, his second or third favorite cousin, to go with him to handle demonstrating the delivered unit to the new owners. We arrived at the home and I immediately knew something was not right. The lady of the house came out onto the porch in her pajamas. She appeared to be blind in one eye and I am not sure she could see out of the other one. Not to make fun, o.k. sort of make fun, but this gal was clearly not up on personal hygiene. Upon entering the home, I detected a very strong odor that was indescribable. Matthew commenced to calling the finance group to finalize the sale while I set about the demonstration of the unit. During the demo, one of the children decided he needed to relieve himself. On the carpet. In the corner. Matt had to look away into the kitchen to keep from laughing out loud at the look of horror on my face. During the phone call, Matt engaged in his habit of leaning on the wall and crossing his legs to talk to the agent. When he did this, I noticed his hand slide down the wall. He immediately pulled his hand away and desperately looked around for some way to get the goo off his hand. It was my turn to stifle a hard belly laugh. In the end, we delivered the unit to the family and when we got back in the car we both were crying laughing at the whole thing. - Carl Montrosse (First cousin - once removed)

“ I’ll never forget you brother from the days we first met in El Paso to the years we spent together building world class quality teams. You were loved by many.

We certainly had a good time in a difficult industry. With an ability to understand leather like no other made the job easier for sure.

But most of all, I regret not getting out on the lake with you and catching that perfect bass only to release to swim again.

Love ya brother, see you on the other side.
