“ *“Dave” was one of the first I met, when I started at AEDC (June ‘79). We worked together, first at the 1 ft Transonic Tunnel, and then at the Propulsion Wind Tunnels until he retired. I’m blessed to have shared life with him. Rest in peace brother.*

“ *Piddle was always good to me as a kid and adult. He taught me to squirrel hunt in early fall when the leaves were on the trees. I hate we are out of town and can't be there with the family. He will be missed by all that knew him.*
