“ My only memories were of her mom Billie talking to me about her and her son. The loss of of a child can't be replace with anything. May she Rest In Peace.

Then you must be left with wonderful memories of her. We always talk about her & Dylan all the time because they have always been a source of great pride & endless love for us. This has destroyed us. Yes, nothing could ever replace her or Michelle. To have them both gone, life has lost all meaning for us. I don't know if we will ever get back any part of normal, but I have very little hope of that. How could normal ever happen again? No daily emails or texts going back & forth just telling each other, I love you. Yes, life as we have known it has ceased to exist.

*This was backstage at the Sally Jesse Raphael show in 2002 where she & I both got a make over for her wedding. Marty was somewhere in the studio but we didn't see him until we went back on stage. *Precious Memories.*
