We had the best time playing together. One We were walking home from Decherd public school maybe in the 3 or 4th grade. We stop at triangle dairy queen in Decherd. She bought me and her a little hamburger and a cherry Coke. We were to come straight home after school but that day we only went in to dairy queen and back out. But as we were continuing walking , we saw Louise walking toward us with a switch. Then we new we were in trouble. Lol still good memories.
