“ The first time I every really got to travel was to go see Aunt Ann and Uncle Dave. We went down to Homestead Florida and went swimming in the Ocean. I just knew a shark was going to eat us all. The next trip we took was to up to Minot, North Dakota to see Aunt Ann and Uncle Dave. I don't think the sun went down the whole time we were there and we went to Canada (my first foreign country) to go fishing for Northern Pike. It seems like a lifetime ago but as I write this it was just yesterday. Aunt Ann, I love you. You were so special. David.
