“ *Mrs. Ann Jett attended the Fidelis Sunday School Class at Manchester Cumberland Presbyterian Church when she could for around three years. She was very attentive to the lessons and especially enjoyed special music when we had it. As an elder at the church and Mrs. Ann's teacher I loved the stories she would tell when I visited her at Autumn Oaks and the gleam in her eye when she spoke of family in Tullahoma and Cleveland.*

I hate I didn't find out about her passing until after her memorial service. I am so sorry to hear of her passing and appreciate the opportunity Manchester C.P. Church had to know this wonderful lady.

“ O my sweet Anne. I was privileged to be her home health therapist for several years. I loved her dearly as she was the sweetest most kind hearted person. She was full of spunk and jokes and always kept me laughing. I thought of her as one of my own. No matter how bad of a day she was having, she would always say “there’s my girl” and get a hug whenever i would round the corner. My favorite memories will be trick or treating with my kids at the Assisted Living and watching her light up to have little ones to chase after. She was a very precious soul. She will be missed dearly.

“ My first memory of my mother-in-law Ann is when I moved to TN with Greg as a newlywed....we had stopped in Cleveland to visit her, and Greg told her we were heading to Winchester that night. She looked shocked and said “Greg, you know you’re not taking her over that mountain at night!!” I was already paranoid of driving in the mountains...(yeah, I was the one that held up traffic driving 40 through the mountains before I moved to TN!!lol) and that freaked me out even more! Lol So I drove like 40 the first time I was on Mont Eagle that night! It is a pretty frightening curvy road going up and down that mountain! I finally learned how to drive through the mountains while living here, and now I can actually go through the mountains the speed limit! She was such a sweet and gracious lady, and I think it was a mutual love for us from the very beginning. We both were LPNs and had much in common. ESP the wonderful son she raised that we both love. I honor her now for the sweet son and daughter she raised and the love and laughter she poured into her beloved grandchildren’s lives. ❤️
