“ *Mama is what we called Ms. Annie. After meeting her you would know why! She was so kind, inviting, and a just down to earth friend and Lady. I had seen her the day before while picking up a precious little girl. She invited us in to sit and chat just like every other time we had been over. She sat with her baby Pipi as you would always find if she wasn't in the kitchen cooking. So, if you ever went to see her thats what you would find.*

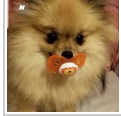

Kristy I am so sorry for your loss! My Condolences & Prayers are with you at this difficult time!

Love you,

Kim and Matt Blankenship
