“ *There are no words to say how much Benny is and will be missed. Benny had a huge heart that he shared with everyone he came to know. He was fun loving and would always try to make you laugh and have a good day. Benny was incredibly skilled at everything he did. I will never forget how talked me into and taught me to ride a dirt bike. Riding is one of my top memories. You were Ben's best friend, a good friend to Mary, and Lizzy, and my buddy.*

*You will never be forgotten.*

“ *Benny left us with many good memories. He will always be young and fun-loving and a special person in our life. He is leaving a big hole that can't be replaced and he took a piece of our heart with him. Rest in peace our sweet grandson. We will always love you and remember you.*
