“ *I worked with Berle, played golf with Berle, and talked and laughed much with Berle. In all these things he was a class person. After his retirement we did not see much of each other but I always considered him a good friend. I know the family can take comfort in the fact that he was truly a fine human being. My thoughts and prayers are with Berle's family at this time for their loss.*

“ *We have several sweet memories of this great man! He had such a joyful spirit and loved to make people laugh. He had a cute sparkle in his eye and a great smile. He had an old garden tiller that had quit working and was about 20 years old, and he told Robert he could have it if he wanted to try to fix it. So Robert took it and got it working again and used it for about another 20 years, and it still runs! Berle always loved to hear the story of the tiller repair!! We are so glad for his wonderful life and for being the sweet daddy of our beloved sister-in-law, Linda Myatt Collier. May the love of Jesus surround you with His peace and comfort. We love you all.
