“ Ms Betty worked with many children through the years. She loved to put on some music (Bee Gees for one) and dance and sing with them and she loved their smiles. I will miss her so.

“ Betty was my sister-in-law for 56 years a very loving person. Me my wife and my brother G W and Betty had a lot of fun times together when we would visit. You couldn't get away without her offering you a cup of coffee or tea. Betty was someone you could talk to about your aches and pain or I could because I had back pain and so did she. Betty will be missed by all our family. Tell Mom Hi

“ *Betty was always a kind and loving person. When someone visits her home she always greeted the guests with a smile and offered them a glass of tea. She has been my sister-in-law for 38 years. I loved her and will miss her, but I know one day I will see her again. God bless her family and lift them up in this time of grief. Mary Jane Lawson.*
