“ *Gene, I just read about your mother in THE TULLAHOMA NEWS. I'm sorry for your loss but I'm happy that she had such a long life and that she was in Nashville closer to you the last few years. We are still on Tims Ford Lake in Winchester and love it.*

“ *Betty and I were in Church Circle together many years ago. I remember taking food to her house when her husband died. Betty was a very nice capable woman and I didn't know what happened to her. I did not know that she had gone to McKendree Manor. I would have gone to her graveside burial except that I had an 11:00 A.M. doctors appointment in Murfreesboro, Tennessee today. She lived a full wonderful life. I just wish I had know that she was at McKendree Manor. I would have gone to visit her there. It's wonderful that she lived to a ripe old age of 94.*
