“ *I will always remember going to billy and JoAnn's house and sending time with them and the kids and I guess the best memory I have is the day I married Chris painter and billy, Robert, Richard and Lee Gilliam drink a lot of soft drinks to put cans on our car and how billy laughed at me for not being able to get in the car. I thank god for this man he loved me than and I may not be family now but he never turned his back on me and he told me Friday morning he loved me still. I will gladly miss him but we will meet again love u billy bob*
