“ *Not a day goes by that I don't think about my Papa. Until I see you again part of me will always feel empty. If it wasn't for him I might have grown up thinking happiness can only come from materialistic things. I wanted to tell you that wherever I am, whatever happens, I'll always think of you, and the time we spent together, as my happiest time. I'd do it all over again, if I had the choice.*

“ *Billy Tankersley aka "Pepa" will definitely be missed. He is one of a kind, not only was he my father-in-law, but a great friend. He joked and picked on everyone he met. He took me in as part of the family the day Timmy and I married and loved me ever since. I have no doubt Billy is sitting in heaven cracking jokes and passing time. Until we see you again. We love you.*
