“ *To the family:*

I am so sorry to hear of Brenda's death just today. My relationship with her is thru my occupation as a realtor with Coffee County Realty in that I coordinated the rental of the two houses owned by the church that she loved and worked in so diligently and also because we quite often shared of the daily blessings from God. She will be missed. I will continue to remember the family in my prayers for comfort and peace. God bless.

“ *Many many years ago I use to serve as the school crossing guard in front of the East Lincoln School and would direct the traffic every morning. I use to see Ms. Brenda drive past the school and she always had a smile on her face. One morning it was so cold and a little snow had started to come down and as Ms. Brenda approached the school she let the drivers side window down and handed me a cup of hot chocolate for which I appreciated. She was a fine Lady and there is a difference between a woman and a Lady and Ms. Brenda was a true Lady. May her noble soul forever rest in peace.*
