“ *I didn't have the privilege of knowing Brenda, but our families have always had close ties. Her dad and mine were best friends and lived next door to each other many years ago. They are both resting with our Lord now, as well as other family members. Helen, Lucy, Janette, Barbara, Phillip, Brenda's children....all of you have my deepest sympathy. May God hold you in the palm of His hand and give you peace that passes all understanding. I will always love the Teague families as my own.*

“ I went to school with Brenda and rode the bus with her and her family. She was so beautiful with the long red hair and a smile and personality to match. All of her family was so nice. I am so sorry for your loss. She will never be forgotten. Sending thoughts and prayers to the family. God Bless each of you. We all went to Marshall County Senior High School.
