“ *You were so special. DCS was good place when we saw your happy face. You were funny, sarcastic and a blessing to those hurting children and the staff who worked with you*

“ *Jim and family, I'm so very sorry for your loss. Brenda was so kind, loving and giving. I will never forget her kindness and yours, Jim, when my daughter and I were moving back to Tullahoma from NC. I posted that I needed help and she immediately replied. You drove the truck back for us. I'll always be grateful for that kind gesture when I felt I had nobody. God bless you. I will be praying for you.*

“ *Brenda was an amazing co-worker and friend! We all loved her! Many of us thought of her as our mom! We spent lots of time eating lunch together! The world will be a sad place without her, but Heaven certainly gained an angel! Prayers to Jim, Jonathon, and all of her family that she loved so much!!*

“ *I went to school with Brenda worked with her for years at DCS . She was so friendly, putting everyone st ease when they came to the office window  
She loved her dogs, her grandchildren and her husband. She told stories often of all. She was always the first to help someone in need. Heaven got a very special angel on Friday 13th. Rest in peace dear friend.*

“ I loved working with Brenda at DCS, and learning that we had actually known each other since I was a little girl running around the park. She was always quick to share a smile and laugh, and I will miss her dearly. Thoughts and Prayers for all her loved ones.

“ sorry for your loss. when she was at DCS, she was kind to everybody no matter what their circumstances were. Plus, she insisted I bring my dog when I came for meetings so she could 'babysit' him ;~}

“ I'm so sorry to hear this. Brenda was one of the best supervisors I ever had. When I worked at BCI, she was more of a friend. She was always kind and sweet to me any time I saw her out anywhere. Prayers for her family, May God give you strength during this time of grief and in the days ahead!
