“ *I remember Brian on the first day we got on a big roof. He was a little shaky for a few moments and told him to take his time and to let me know when he was ready and after a bit he said he was ready. We were on a 12/12 roof on a 2 story house. He became a very good roofer. I remember one day we were working on a Vickers house and it was very steep and I had a heart attack and him and Len Duke finished it for me and did a great job. I enjoyed being around Bubby.*
