“ I just learned of Carol's passing today. I'm not sure why no one told us. She and Ken were the first real friends we made here in Dickson. We got together often and had good food and good laughs. We enjoyed playing Uno card game and watching the super bowl together. She would find it so funny when the Patriots were losing and I would start praying for God to help them. Until she saw it was working and said kee praying. She always had kind, uplifting and inspirational words when I needed them the most. I Loved her so much and will dearly miss her.
