“ He has left us too soon, and the world is a little darker without the light he brought along wherever he went, the love he shared with everyone, the kindnesses he did. I am so sorry to hear he is gone, but Heaven has a new angel. Sleep well, Cassidy.

“ Cassidy was one of the hardest workers and sweetest kindest guy I ever had the pleasure of working with at Motlow. He went out of his way to make sure I had anything I needed and would not let me pick up and carry anything he thought was too heavy for me to carry. He was a sweetheart. This just breaks my heart to hear this news. Rest well my sweet friend.

“ Cassidy was such a special friend and even bigger blessing in my life. We were close and always had candid conversations. He was a warrior who fought the good fight. He loved Jesus, his mother and Toby his fur buddy. I'll miss him terribly, but I'm rejoicing for him and his complete healing... breathe easy my friend. We'll meet again soon. Love you little buddy!

“ Cassidy was a good person with a big heart and would do whatever he could to help anyone in need. He was a coworker with me for many years at Motlow State. I always enjoyed our talks, picking at each other, and laughs that we shared. I speak for the Motlow family when I say he will be missed and we thank his family for sharing him with us in the time we had him at the college.
