Blue, I love you with all my heart. You have been the best Dad/father/Friend I have had in my life. You have taught me a lot of things that I will never forget. Working on cars, painting and much more stuff. You have been a really big part in my life growing up. I learned a lot from you. All I can say is I wish we could do it all over again. I love you for everything you taught me. Especially how to become a Dad/Father to my own children.

*Thank you,
Allen*
