I met Charles. He was an extremely intelligent, polite young man. I'm so sorry he is gone. My sons would have really liked him. He's one of the few who could have made the world a better place. It's probably what he is doing right now.

I remember so vividly Wayne coming to our house after our son's death and without saying anything how he conveyed how genuinely heart broken he was by the look in his eyes. I lost touch with him after that but will never forget his caring and compassion. you could tell he had a big heart. God bless him

“ Of my memories from childhood, Wayne was always one that I could never forget. My favorite memories came from when we lived in Ceder Springs Apts and we got out of school during the blizzard of 93. Then in high school playing football. Seeing him in the halls and in the classroom. I have not seen nor spoke to Wayne for several years but he was always a memory of mine since childhood. I am so sorry for your loss and I truly know the he will be missed.
