“ *Charles was always a good friend to my brother in law also named Charles Raymond Baker and to myself when I visited there. He was always a gentleman and had a smile and warm handshake. He will be sorely missed.*

“ *Charles was a dear dear Christian friend to my husband and myself. We loved him dearly and will miss him profoundly. Charles was there to help with anything needed and personally assigned himself to wheel my husband into our church and then back to our vehicle. He would put his hand on top of my husband's head so he wouldn't bump it getting into the car. Yes we will miss him.*
