“ *Charlotte and Glen have know us 4 girls Heather Heidi Hillary and Holly Herr all our lives. We will never forget them. They were always there for us girls They gave the best advice when we needed it. They were very thoughtful and kind to us. I used to call Charlotte the night mare babysitter. I even told her I had written a book about it. We laughed. She would always pray with me when I was about to get off the phone with her. She had a wonderful singing voice she would sing happy Birthday to us on our birthdays. I even heard her sing on the church website. May they both RIP until we meet someday. Love you both so much. Give dad a hug for us. Love the Herr girls.*

“ *I will never forget her love for our special-needs foster baby, Trae. She bought him a couple of really cute little outfits. She loved our family when my husband was the pastor at Mount Vernon. She always had a smile on her face and love in her heart. She will be missed. She was a precious friend.*
