“ *I was Mrs. Christine's neighbor for 13 years. She was such a sweet lady. I loved seeing her sitting on her porch. I knew she was having a good day. Every night when I went to bed, I'd look out my window to see if she had gone to bed. She was a night owl like me. No lights on now. I miss knowing she's there. May you get all the turkey and dressing you want now, topped off with a large Coca Cola!*
