“ I’m sorry to hear about Christine’s passing. My older sister graduated with her. 1964 there was an entertainment event at the high school where Soupy Sales was one of the headliners. She, my sister and a few others made plans to attend. Being a 6 year old who was a giant fan, it took a bit of convincing to get my sister to include me in their plans. Once there, my sister fell ill and our parents were called to come get us. I was heartbroken as the show hadn’t even started yet. That’s when a kind and responsible, 13 year old Christine stepped in and volunteered to be my guardian for the night. What a great night and great memories made despite my sister’s ailment. (It was a virus she thankfully recovered from a few days later.) Thank You again Christine and in the words of Soupy Sales, “Do the Mouse!” 🎵🎶

“ Christine was a very dear friend of my mom Katharine McNeill. Sadly my mom passed away at the age of 53 in 1998. Christine's warmth and kindness towards me and my family and to all that knew her will always be remembered. She continued to be a constant in our lives until she moved to Tennessee. My memories of Christine will live with me forever, She is now celebrating in heaven perhaps going to estate sales with my mom.

To her family,

I am so sorry for your loss. Please know that you are all in thoughts and Prayers.

Love, Kerry McNeill

“ Christine was my mentor and made me want to be a good librarian. We worked in the Reference Department at South Huntington Library. She will be missed.
