“ Dear Gina and Mitzi,

I remembered your Mom and the two of you as young girls when she would come by my house and stop to give me a ride to school. That was she how a helpful mother she was back in our school days. Later, after my parents passed, I would see her at times in town and talk with her about those days and our families. Just happen to see her in Kroger, and talked with her several minutes on the 3rd of June. She seemed to be her talkative self but did seem to be quite tired. I was shocked to hear of her going so soon to be with the Lord, our Savior Jesus Christ in Heaven. Perhaps, as she now rests in peace with your dad, she will see my parents and say hello and tell them she saw me. May God comfort you two daughters at this time in the loss of your Mom who was always a nice, and friendly lady to me. Judy Harris

“ Dear Gina and Mitzi,
I have not seen you girls since we were girls
in Rainbow together. I was so sorry to see
your Mom has passed. I guess the last time I
saw you was when I came and tried to rent
the old house on your folks property. Wish I could have sent you a
card instead of an on-line note, but KNOW that you are thought of
and prayers for God's hand of comfort on your hearts will be
continued. Blessings and much love from and old friend.

“ With sorrow I send my thoughts of sympathy to my cousins and extended family of Aunt Clara. Childhood memories have been flooding my mind as I think of her. She was a great lady always full of love and concern for others and will be greatly missed by family and those she touched through out the years. My husband Joe, joins me in prayers for the family. “ Mitzi and Gina my prayers and thoughts are with you at this time. I know Mrs. Carr will be missed by many. I had many long and pleasant 'visits' with her at the grocery store through the years and kept up with the two of you.
Heaven will be a little brighter now.

“ I enjoyed my impromptu talks with Clara! She would be out driving down the road and we would stop and chat through our windows until a random car came along and ended our conversation. Clara was always bubbly and knowledgeable of folks and happenings in our area, and I will truly miss seeing and visiting with such a wonderful lady! She was a treasure in our community!
