“ Dear Jackie and boys, I was so saddened to learn of JoJo's passing. I really can't remember not knowing him I am pretty sure we were in first grade together! My memories are good and bring me lots of smiles. After all it was JoJo who made me a tv celebrity. I am so sorry I was unable to be with you during this sad time but Gary and I are in Georgia continuing to convalesce from our car accident. Please know our thoughts and prayers are with your family. it has been a long hard time and now he is at peace.

“ From elementary school at Bel Aire all the way through THS "Jo Jo" was a good friend.He was always friendly,cheerful and fun to be around. I spent many days in my childhood playing on Ragan Street and enjoyed the hospitality the Henry household. Although I hadn't seen Joe in recent years I have great memories of him. RIP my good buddy, you will be missed. Charles Dennis

“ I am so sorry for the loss of such a fine man. Thank you for your service to our country. It was a pleasure to know you and your family. I will always remember how excited you got during a race. I think you got as excited as the drivers and the crew. I learned really fast that it was not the best of ideas to try to visit or talk with you or Jackie if there was a race on TV.
