“ Dear family, I am so sorry for your loss. Rudy was a wonderful friend and my High School classmate. Throughout the last six years, I had the chance to reconnect with him and he shared some wonderful life experiences with me. He often spoke of his love of photography, fishing with his grandchildren and his love of music. He was thrilled that his grandson had taught him how to dance the "Whip". He also showed me a picture of a clock that he had made from scratch. I was impressed by his many talents, his love of life & family, and his strong faith. Rudy's infectious laughter and warm exuberance will be sorely missed by all. God's blessings of peace and comfort to you all.

“ So sorry to hear of Rudy's passing. Rudy was a teammate of mine, both on the football field and in the gymnastics gym. I remember going to Selma, Alabama, in the late 60's for a gymnastics meet w Coach Wilson and a couple of other teammates, Rudy included. We had a great time traveling down to the meet in coach's car. He had springs in his legs tumbling wise. He could also toss the ball downfield if he wanted to. I wish I could be there but I am unable to make it up to Tullahoma from Baton Rouge. My condolences to the family. Kevin Nee c/o 1973

“ Rudy was a classmate and friend of mine through West Jr High and THS. I remember how good of an athlete Rudy was in Jr High as the QB. In fact he also started as a Sophomore in High School. For some reason he didn't play after his Sophomore year but he ran track. I have a lot of good memories with Rudy in those formative years. Please accept my Deepest Sympathy, Kyle Bills
