“Darrell Rogers Sr. Was the patriarch of the Rogers family, and was such a strong and loyal family member. He loved deeply and was loved deeply as well by all of his offspring. He was a most independent person, and took wonderful care of his Wife Barbara, in the times leading up to her death. He loved his son, and was so devastated to lose him two years ago. He swelled with proud at how accomplished his two grandchildren are. Family was everything to him, and he was also so devoted to his church family. Darrell was a good man all the way, and lived his life the way each of us should. God bless his soul, and be with his family as they grieve his loss.b
