“ *I think David was my first boyfriend. We were about 6 years old. Our families spent a lot of time together in the days before you moved to Tullahoma. I dearly loved your mom and dad. I am so sorry to hear about David. Sending you my thoughts and prayers at this difficult time.*

“ *This message is for Stanley. I remember your family very well. You all lived up near the fair ground. We went to elementary school together and our parents car pooled us to Manchester City School. Always thought so much of your family. Hope you are doing well. I still live in Manchester with my family. I am DoWe Langford Jones. So sorry for your loss.*
