“ *Constance Reed wrote a sympathy message*

“David and Susie were very good friends of mine for over 60 years. While we lived many miles apart we never lost contact with one another and enjoyed visiting during those years. While I will miss his friendship and phone conversations, he is now with his beloved Susie. I will miss him greatly, he is a major loss of a dear and beloved friend. Rest in peace dear David and may your family heal quickly from their loss as well. Your friend always until we meet again, Connie Reed”
