“ *David was a great brother he had a good sense of humor, who loved family very much. He was a strong believer in God. He was the type of person that would take his shirt off his back to give to someone else. he thought of others before he thought of himself. We're really going to miss him. But we have our memories of him and a good-hearted kind of person he was we going really miss him. may he rest in peace.*
