

David Michael Perry

December 31, 1951 - November 30, 2024

David Michael Perry, 72, passed away on Saturday, November 30, 2024, surrounded by his loving family at Harton Hospital.

Born in Tullahoma, Tennessee, to the late Allen and Opie Perry, David devoted his career to education and athletics, receiving his B.S., M.S., and E.Ds. degrees from MTSU and playing football for the Blue Raiders. He was a middle and high school teacher and a passionate coach of football and basketball. After retiring from teaching and coaching, he partnered with his son, Matthew Perry, to run a successful lawn and landscaping business.

David's love for sports was infectious. He was an avid supporter of local high school football and basketball, as well as a devoted fan of his beloved Boston Celtics and Alabama Crimson Tide. Beyond sports, he found joy in hiking, reading, being outdoors, and connecting with people, always striking up a warm conversation and never meeting a stranger.

In addition to his parents, David was preceded in death by his sisters, Susan McMillan and Melanie Roberts. He is survived by his brother, Allen E. Perry (Mary Catherine), and sister, Linda Chapman. He is also survived by his son, Matthew Perry (Shauna), and their children, Sarah, Symantha, and Jordan; and his daughter, Andrea Perry (Kelly), and their children, Blake, Beckham, and Riley.

A private family only graveside service and celebration of life will be held on Wednesday, December 4, 2024, at Rose Hill Memorial Gardens, officiated by Mr. Byron Lawrence. David's family will gather to honor a life well-lived,

defined by his infectious smile, love for simplicity, and effortless camaraderie.

This is a very nice tribute and how I always viewed you two on and off the court. He was one of the guys that could always get Coach Muckle to crack a smile. We were lucky to be coached by Coach Perry, and the fellas absolutely remember him fondly. Some really great stories and memories told and re-told every time we get together. Thanks for the memories Coach!
