“ *We were so looking forward to meeting your mom in person. Judy and your mom were friends on Facebook and were able to talk to each other. We were happy to meet the rest of your family. We just wished that it had been done under better circumstances. Just know that we will always be there for you. With love from David and Judy. P.S. Irene Crocker, Deborah Ragan, Andrea Ross and the Milligan family also wish to extend their condolences to you and your family.*
