“ *Our dear cousin, who was always known as "Ronnie" to us, will truly be missed. I enjoyed when he would come and visit us (Ronnie's Uncle Orman Compton & family) on his big, really cool motorcyle at our Michigan and Florida homes. Dave and I had a good time when we visited him and Lillie Mae at their Tullahoma home. There we got to see his shed that was built to look like the front of a "General Store" and was where he stored his tractors; he loved his tractor races. We loved to laugh together and share old memories. We were hoping to go visit him and Lillie Mae with other cousins on 4/24/2016. I always enjoyed our phone conversations down through the years as well. In our last conversation, Ronnie told me that he had received Jesus in his heart as a child and he knew he was going to heaven. Looking forward to seeing Ronnie again one day in our eternal home. All of our love, prayers and sympathy are extended to Ronnie's family. Cousins Brenda & Dave Sitter*

“ Our dear cousin, always known as "Ronnie" to us, will truly be missed. I always enjoyed when he would come and visit our (Orman Compton, my dad and Ronnie's mom/Aunt Azalee's brother) homes. I always enjoyed when he would roll up on his big, really cool motorcycle to come to see us in Michigan and Florida. We enjoyed our visit with him and Lillie Mae at his Tullahoma home, and got to see his shed that was built to look like front of a "General Store" where he stored his tractors, and he loved his tractors. We loved to laugh together and share old memories. We were planning to go visit him and Lillie May with other cousins on 4/24/2015. I always enjoyed our phone conversations down through the years as well. In our last conversation, Ronnie told me that he had received Jesus in his heart as a child and he knew he was going to heaven. Looking forward to seeing Ronnie again one day in our eternal home. All of our love, prayers and sympathy are extended to Ronnie's family.

“ Uncle Ronnie,
We have the most wonderful memories of our visits together. A ride on your latest motorcycle, going for coffee at your favorite shop, a trip to the local springs, or a stop by to see family and friends are amongst the many adventures shared over the years. My mother Joyce loved her brother and treasured the visits and trips that they shared.

From the day I was born, I had a loving uncle who cared for me, watched over me and spoiled me. This gift of love make my life rich and secure.

The blessings that he revealed in our lives, live on forever in our hearts.

In God's Grace, Great Niece Lelann and Niece Diana
