“ *Denver was a close friend of mine for many years. I just heard of this and am saddened because we had lost touch. My heart and sympathy goes out to his family for the loss of such a wonderful person.*

“ *Denver and I shared a lot of activities when we both worked for the School Detectives of the Atlanta Police Department - softball, basketball, hunting arrowheads (I still have a couple), boating, and fishing. MANY good stories to tell! My wife and I have been planning to go up and see him for several years, but never made it. We'll have to see him when we join him at Home. Blessings and comfort to his friends and family.*

Thank you so much for your kind thoughts. Daddy always spoke so lovingly of both of you. Also, thank you for the flowers. They were beautiful. I would love to hear some of those stories . Love Ginger
