“ Don always treated me and my kids like family. He and Donna hosted holidays while they lived in Indiana and welcomed us all to come and always made us feel at home. Don also did a full remodel on my kitchen-I was beyond impressed as to how he could install the cabinets all by himself! A truly skilled carpenter and good chats over coffee during that week! I also enjoyed our stay in Tennessee with the kids when Maggie was just a week old! Everyone was excited to visit Grandpa Don and Granny Donna! The older kids loved learning about the cows and learned the hard work that goes in to raising livestock. Deepest condolences to Donna and your family-you are in my thoughts and prayers-
