“ *Dear Tim, Becky and Family,*

We are so sorry to hear of your Mom's passing. Our Dad and Mom appreciated and loved Dot and Lillard for so many years. They always had a welcoming smile, a great laugh and the love of the Lord in their hearts. We can learn a lot from their generation.

We are so sorry about Dot's passing. She was so wonderful with our little girl, Mary. She took her under her arm, loved her, and helped her to adjust to a new church family. She and Lillard influenced so many people. We have many wonderful memories.

“ Dear Tim, Becky, and Family,
I am so sorry about Dot's passing. She, Lillard, Les, and Dimple all had a tremendous influence on my children when they were growing up. My favorite memory will always be the day that my girls saw Lillard coming out of the store, and one of them called him Mr. Dot. I feel very fortunate to have been able to share laughs and good times with them. They were very special Christian people.

“ Dear Tim and Becky,

So sorry to hear the news of your mother's passing. I know you both were so dedicated to caring for her and staying connected these last years. I know your visits were comforting to her and the commitment that you showed in making sure she was well cared for was so inspiring for me. What kind and loving people you both are.

I know this leaves a big whole in your hearts. I hope you are comforted with the many years of wonderful memories of your mother. Know that she and her husband are united again in heaven.

My thoughts are with you both.

Dear Tim and Becky

Your mother has been blessed with a life of love and care from her family. You have demonstrated that by the way you have stood by her side since your father passed. Your unselfish love and steadfast care is something that was comforting to her and kept her looking forward.

It was through your love for your mother that you were able to provide her a level of peace that she could not achieve elsewhere. You and Becky provided her to live a life as normal as possible although it took a great amount of sacrifice to do so, a sacrifice a living son and daughter in law could only provide.

Now mother is at rest in her Savior's arms. That place where there is no pain, no hurt and no worry. She is now dancing with joy being reunited with your father and what a great picture that is!!

My prayers and thoughts are with you during your time of loss and healing.
