“ To the Family. Sorry to hear of the loss of Doug. I will always remember the smile he seemed to always have on his face. It was as if he were always in a good mood. We could use a little more of that these days. I know he will be greatly missed. We will be keeping your family in our prayers.

“ A brief candle; both ends burning
An endless mile; a bus wheel turning
A friend to share the lonesome times
A handshake and a sip of wine
So say it loud and let it ring
We are all a part of everything
The future, present and the past
Fly on proud bird
You're free at last. by Charles Daniel
