“ We are sorry to learn of our Great Aunt Edna passing. Never remember seeing her without that beautiful Mullins smile! She and Aunt Nellie were such a help to our parents when we were younger getting us to school on their little bus. Our Granny, Gladys Bean Mullins Campbell, was forever grateful to her for her help and support when our daddy, Uncle Joe and Aunt Johnnie were growing up.

*Billy, Bobby, Betsy and Bonnie, please accept our deepest sympathy and apologies for not being present for you all as you and Aunt Edna have been through the years for us. We will keep you all close in thought and prayer.*

“ When I was a child, my sister Pat and I would sometimes visit with relatives in Tullahoma while we were out of elementary school for the summer. Our parents would let us stay several weeks or even a month, then come back to get us. I loved going to Aunt Edna and Uncle William's home. I had all those cousins to play with, and Aunt Edna was so good to us. She just treated us as if we were her very own...making us behave of course, but still in a loving way. She would make us picnics that we could eat outside, since there was always so many of us kids. Boy was she an excellent cook too ! There was always a cake, pudding or cookies in her home. These sweet memories will last forever.

“ Maxie and I loved Edna with all of our hearts. We talked to her at least twice every week before she was hospitalized and she always would end the call with how much she loved us and we would do the same. Such an awesome person and wonderful friend. She will be greatly missed. Our thoughts and prayers are with Bill, Bob, Bonnie, Becky and their families as well as our Uncle "Junior" Baker. May God Bless! Love , Maxie "Rat" Baker and Glenda Baker.
