“ *I have so many memories of both Eddie and Geraldine. We met when we both lived in Bell Buckle and have been friends ever since. We played cards and Eddie was telling his jokes, jiggling the coins in his pockets always laughing. Loved fishing and we helped them eat them. He was a good husband, dad, granddad and great granddad. The best friend anyone could have. Love to this family. Rest In Peace my friend. ❤️❤️❤️*

“ Eddie and Geraldine opened their home up to me and my brother Gary. I spent a lot of my childhood and young adult life at their house. I can't count how many meals Geraldine fed me at their table. If it wasn't breakfast you could count on there being pinto beans and cornbread. When I was 18 Eddie took a chance on me and gave me a job At Batesville Casket Co. in 1980. This was a big deal because there weren't any jobs in 1980. I worked there for 11 years and met my wife there. That one act of kindness laid the foundation for the life and family I have now. They both helped me so much. Kevin Calvert
