“ *Mom, words cannot express my sympathy for all that has happened. You stuck with Ed to the end taking excellent care of him and making his passage from this life to the next as comfortable as possible, being a true nurse to him. You should be proud of the faithful wife you were to him, even through the hardest of times. You are a great example of a good wife and mother. I pray that God will give you peace and comfort as you deal with this painful loss and your life ahead. We are all here for you and love you tremendously*
