“ I love you. I had to post the picture of you eating that watermelon. The things that wasn't mentioned about you was how much fun you were. You and Aunt Tish Harmon loved to scare people. You loved being a child riding bikes, going to the creel's & the caves in Summitville. When I was young you always had your neices and nephews around as well as your younger brother Dwanye & David. You wanted children so bad. You finally had two boys Johnathan & Kyle then you finally had your daughter Fancie and named her after your favorite song. I'm hurt and loss that you are gone but I rejoice that you are in heaven with a new body. I love you Aunt Diane (my 2nd mom).

“ Sitting here at 10:37pm thinking about you being gone from this Earth but knowing you are in heaven with all the loved ones that you have been so ready to see. I remember talking to you last summer. You told me you were ready to leave this earth of hurt, pain and just being tired. Well you entered into heaven Thursday afternoon. I hated seeing you in pain. The Diane that I knew was unstoppable. You were so good to me. Never can I remember a time you got mad at me. The only time we lost touch was when you lost your mind for a while and lived with my dad, lol. It didn't take you long to regain your senses. I'm so happy I have all these great memories of you and me. You were my aunt but I always felt like you were my mother too. I was very lucky to have two mom's. One that disciplined me and then the mom that let me do whatever I wanted. Some never even get the chance to have one loving mom... I had two!!! Last Sunday we had a few minutes with no one around for us to say our good byes. I felt your love for me and mine for you. Diane you are the greatest. I know you are in heaven with your mom, dad, brother's & sister's and other family members celebrating . I know you are also with my brother. I do envy you for that. Give him a big kiss and hug to him from me. You and my grandma Elkins as well as Quentin can eat all you want now. I know you three enjoyed eating. Our precious young Charles, my step dad David and my grandfather's are so lucky to have you there with them. Everytime I look down at me scab on my knee I will have that cherished moment of us having so much fun playing in the creek that hot summer day and you pushing me into the creek and me falling on that sharp rock but I'm so happy to have it. Your grandchildren will never get to have the chance to know how much you loved them and how much fun you were. I'm praying for your children because I know how much you loved them. You were so proud of Johnathan, Kyle and Fancie. I remember how much you wanted a child and when Johnathan came you were so happy. Then I remember the day you gave birth to Kyle. It was hard labor at Doctor Harbolt but you were so happy. You always wanted a little girl and you finally got one. You loved that song Fancie and that's was the name you choose for your little blessed daughter. I could go on and on. You were so

special to me and I'm so happy you are with our savior Jesus Chris but I'm going to miss you. Your living (daughter/neice) Ammie.
