“ I can't remember the Olson family in person but Mrs Olson's name made me remember the past. My parents were Marjorie and Quentin (QP) Hance. I remember from my mom's telling me that Mr Olson and daddy were both electronic engineers at AEDC where they worked together for years and were friends. Both were Ham operators, both in WWII and the family came to our house for a visits sometimes. Myself and their daughter are both named Rosanna! I see where Mr Olson passed away several years ago. I just wanted to express my sympathys and prayers for your parents passing.
