“ Elizabeth was such a beautiful person! I am blessed to have known her. She attended every health and exercise class I taught at the Senior Center and was a volunteer that led a walking club as part of a grant funded program through UT Extension. I will miss her encouraging words, beautiful bright smile, and positive energy! My heart goes out to her family and close friends. Our temporary loss, but heaven's gain. Rest well sweet friend 💕

“ Elizabeth was my friend. Memories:
I moved to Tullahoma from Georgia in 2014 and met Elizabeth as my new neighbor about a week before her husband past away. I didn't know anyone and was trying to heal myself and Elizabeth and I became immediate friends! She would tell me stories about her growing up in the area and I would be her wheels driving and she would be my “Local GPS” giving me directions to different historical places and places of interest either of us had from Murfreesboro to Alabama and Mont Eagle. We always got a milkshake at Dairy Queen on our adventures!
She also kept me up to date on the best Football Team for the season, newest hopeful players as well as the newest and best Country Singers and Songs!
I recently purchased 3 “Knock Out Rosebushes” because she would always point them out to me on our drives saying how pretty and hardy they were! And they were on Sale! She would love it! Other times we would spend out in the yard sitting in the swing with her cat admiring the beauty of nature. And then she would call and tell me about the poem she was inspired to write from that day! Poetry was one of her gifts she like to share with others!
I didn't stay in Tennessee but 2 years and have missed having Elizabeth as my neighbor but we will always be friends!
I am grateful to have met Elizabeth and to have enjoyed her company in my life. She is Loved and Missed!
