“ *It's so crazy how out of nowhere you just miss someone you barely knew. Especially knowing now that I'll never get a chance to know the real him the one everyone loved so much. I pray me and all my brothers and sister eventually find peace knowing we tried but no matter what I will always love the man who was half the reason I get to live this wonderful life I am living today and for that I thank him.*

“ I use to love for him to tell me stories of his life, some were tale tales but I knew that ,He told me this story about a insurance lady coming to the house and he had a pet bobcat and it jumped from the top of a sliding glass door and she peed she pants and of a pet deer that had to have a pint of whiskey every morning or all day he'd be a terror.He told about all his kids he loved them so much and was so proud of them.RIP Babe I will always love you and miss you.
