“ This is my cousin Eura Anne. I will never forget everything she has taught me like how to change the universals on a drive shaft, and then get ran over at the same time lol. She helped me get my first job at Burger King when all we was doing was getting a bite to eat. Driving her home from the dentist barley knowing how to drive she taught me to line up the whites of the lines with the center of the hood. And helping Eura and my mom get diddyied up to go line dancing. I lived with Eura for a couple of years and it taught me a lot. Thank you Eura for believing in me when I didn't and setting me strait when I needed to be. Love Stevie Joe

“ Condolences to the family of Eura and all who loved her. Her greatest strength was to remain a kind and soft hearted person in the face of adversity. Allen and our family have had a tree planted in her name through legacy.com. May it grow strong and withstand the adversity of time Our world becomes much colder when we lose a soul like Eura's Her spirit will live on in the hearts of all who loved her and knew her well .

“ In high school, Eura Ann had a pair of socks with the cartoon character Ziggy on them. The Z had worn off, so it said "Iggy". For a couple of years, Eura Ann's nickname was Iggy. I will remember you, my friend. ❤️
