“ *Brenda, since I live in Tullahoma, I had planned on coming to the funeral home to express my condolences to you in person. But things came up, and I'm unable to. I haven't seen you since graduation, I don't think. Anyway, I'm so sorry for your and your family's loss. I think I met your Mama once at your house. You had a slumber party....she was a very sweet and special lady and made me feel very welcome. You are in my thoughts and prayers.*

“ I am so sorry to hear of your mom's passing. Such a sweet lady. I always remember her with a smile on her face! She was kind to everyone. Such a great support to our youth growing up at Wilson Ave.

“ So many memories of my childhood in Tullahoma are centered around this kind, wonderful, soft-spoken and gentle lady. She always had a way of making each and every child she touched feel special. I wish there were some words of wisdom and comfort I could offer, but I know there's really nothing anyone can say right now to make your loss easier to bear. Just know that my thoughts and prayers are with you all as you prepare to navigate this thing called life without this sweet and beautiful woman.

“ *What a wonderful and Godly woman! She will be missed and was dearly loved. I will always remember her beauty, inside and out, and how she was an example for all Christian women to follow. I loved her chocolate fudge pie, too!*
